April 2020

Unlikely friends are often the best friends.

The universe reminds us to make time for play.

I've been watching an old Little Mermaid animated series on Disney+.  
Thinking of life under the sea can provide some nice escapism.

It was nice to learn a new style for drawing flowers.

Crying on paper can be cathartic.

Drawing for Transgender Visibility Day

Illustration I made in response to the current hyper-xenophobic climate

(This last one is kind of an inside joke. I asked my friend, "If you could give me an award for something, what would it be?" I told my friend for example, I would award them Best

Hugger, and they said their award for me would be the poetic statement above).
